the book

Daniel Goleman's *Emotional Intelligence* was a number one bestseller in the mid-nineties and is now mainstream in the work and life challenges we are facing in the 21st century.

David Powell, author of *Spirit Intelligence*™, goes far beyond *Emotional Intelligence* by revealing 175 practical keys to unleash the power of the spirit.

Your spirit is the essence of who you are – the core of your being. Spirit intelligence is the ability of your spirit being, the core of you, to make the best choices at work, at home and for your life.

Einstein said we only use 3% of our abilities. This book gives you the keys to fire up the other 97%! *Spirit Intelligence*™ provides enough practical life skills and business tools to last you a lifetime.

Powell is a compelling and persuasive writer who has an impressive international track record and practical understanding of business and people. His clients worldwide urged him to write *Spirit Intelligence*™.

It is a unique and powerful book, which will unleash the power of your mind, emotions and spirit at work with your colleagues and at home with your family and friends.
